AFFIDAVIT IN SUPPORT OF COMPLAINT
Case No. 2:25-MJ-26

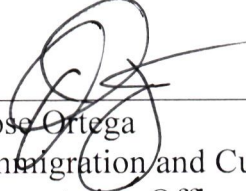

Title 8, United States Code, Section 1326(a)

As a result of my training and experience, I am familiar with federal immigration laws, including 8 U.S.C. § 1326(a), which makes it unlawful to illegally re-enter the United States after deportation or removal. There are four elements to this offense: (1) That the defendant was an alien at the time alleged in the indictment; (2) That the defendant had previously been deported, denied admission, excluded, or removed from the United States; (3) That thereafter the defendant knowingly entered, attempted to enter, or was found in the United States; and (4) That the defendant had not received the consent of the Secretary of the Department of Homeland Security or the Attorney General of the United States to apply for readmission to the United States since the time of the defendant's previous deportation. An "alien" is any person who is not a citizen or national of the United States. 8 U.S.C. 1101(a)(3).

Facts Establishing Probable Cause

On February 7, 2025, I found Joel Rascon-Jaquez at 2710 Spruce St., in Amarillo, Texas, which is in the Amarillo Division of the Northern District of Texas. I queried immigration records and discovered that Joel Rascon-Jaquez is, and was on February 7, 2025, a citizen and national of Mexico by virtue of his birth in San Rafael, Chihuahua, Mexico. Those records also showed that Joel Rascon-Jaquez had been removed from the United States on October 24, 2014, at the Port of Departure at El Paso, Texas. Joel Rascon-Jaquez's immigration records showed that he had not received the consent of the

Secretary of the Department of Homeland Security or the Attorney General of the United States to apply for readmission to the United States since the time of that previous removal.
